WHAT IS TODAY'S H E A L T H Y S P A C E ?

NORR

THE ANSWER: We understand the relationship between the physical environment and human health as it's more important now than ever before. PSDC has partnered with the highly respected NORESKO consultants to create spaces that optimize occupant well-being and health with planned WELL v2™, Fitwell and RESET certifications.

TERRACES AT THE AIRE

WELL v2™

The WELL Building Standard™ version 2 (WELL v2™) is a vehicle for buildings and organizations to deliver more thoughtful and intentional spaces that enhance human health and well-being. WELL v2 includes a set of strategies—backed by the latest scientific research—that aim to advance human health through design interventions and operational protocols and policies and foster a culture of health and wellness.

Fitwell

Fitwell is the world's leading certification system and committed to building health for all®. Generated by expert analysis of 5,600+ academic research studies, Fitwell is implementing a vision for a healthier future where all buildings and communities are enhanced to strengthen health and well-being.

RESET

The RESET Standard is the world's first sensor-based and performance-driven data standard and certification program for the built environment. The RESET Standard creates a structure for data quality, continuous monitoring, and benchmarking. The standard harnesses the power of technology in order to assess the performance of buildings and interior spaces during their operational phase.

LOCATION & AMENITIES

The Aire at Towamencin Village will sit at the heart of Montgomery County, Pennsylvania's North Penn Valley—a cluster of affluent suburbs. SEPTA and the Pennsylvania Turnpike's Northeast Extension connect the region to Center City, Philadelphia and job centers throughout Montgomery County.
